## Arch Enemy, Rise Of The Tyrant

The end is near. Panic is closing in. Sick with fear they run Watch freedoms fall. What have we become? Cannon foder Reign of terror. Enslave the nations devastation! This is war Pull the trigger. One nation under their control Rise The Tyrants rise! The enemy inside The tyrants rise The end is here Feel it closing in Blood runs red Watch in horror Our lives destroyed We failed The final holocaust Enslave the nations annihilation! This is war Pull the trigger. One nation out of control War, pain suffering The price we pay to stay alive Blood, fire, death His Glory come, his kingdom rise This world will burn!
