

Arch Enemy, Vultures

Breathing life into these mares
Where enemies turn into flesh
This is the abyss I fear the most
I feel their eyes staring at me

Waiting with
Carnivorous patience
The memory is timeless
For all they know
I must succumb sometime

A solemn cry
Rises to the sky
As heavy wings blacken out
The morning sun
With infinite darkness
Am I dreaming or am I dead

Waiting with
Carnivorous patience
The memory is timeless
For all they know
I must succumb sometime

In search for my heart
Lost in this hell
The vultures are soaring above
Tearing me apart

In search for my heart
Lost in this hell
The vultures are soaring above
Tearing me apart

Screaming voices in my head
A sudden pain in
The deadly silence
Devouring the remains
Of my heart
I can feel it dying

Waiting with carnivorous patience
The memory is timeless
For all they know
I must succumb sometime

In search for my heart
Lost in this hell
The vultures are soaring above
Tearing me apart

In search for my heart
Lost in this hell
The vultures are soaring above
Tearing me apart

Picking at the
Bones of my soul
Left me dead inside
The more I gave
The more they took
Left me dead inside
Left me..

In search for my heart
Forever lost in this hell
The vultures are soaring above
Tearing me apart
