

Archer Tasmin, Halfway To Heaven

Archer Tasmin

Great Expectations

Halfway To Heaven

when you think you've reached the end of the line
walls that once blocked your way
come tumbling down
and you'll find the answers were there all the time

when we turn out the lights and we sit in the dark
is the mountain too high to climb?
halfway to heaven
when you're flat on your back you can still see the stars
guiding you through the night
halfway to paradise

tin gods plan
life's doors slam
to hold you back
when you're born on the wrong side of the track
don't take no
take hold
don't leave it to chance

you let the world roll by
you're trying to hang yourself without a rope
mister dream - take control
i am the means to reach your goal
