

# Archer Tasmin, The Higher You Climb

Archer Tasmin  
Great Expectations  
The Higher You Climb  
the higher you climb  
the further you fall  
and the harder you try  
the louder they cry  
i don't know why  
but it's written in my hand  
and i can see what is right  
if i stay on track

i read the news today  
a land was blown away  
i understand it's out of my hands  
but i would lay my life down for you  
if you'd guarantee  
that you and all your kind would not abuse it

i'm scared to watch tv  
because of what it does to me  
it leaves me feeling helpless  
but i would sacrifice the things i hold so dear in life  
if you would tell me it would not be useless

and when i sleep at night  
another nation rise  
to carry on the fight for freedom  
they dedicate their lives  
a supreme sacrifice  
for simple human rights and freedom

the wiser you are  
the harder you'll find it  
to follow a path that won't lead to decline  
i'll make my stand  
because it's written in the stars  
and i can see what is right  
if i stay on the right track
