Archer Tasmin, When It Comes Down To It

Archer Tasmin
Great Expectations
When It Comes Down To It
you've done nothing wrong
but it seems so long
since we've shared some time
and i say i don't mind

but oh when it comes down to it do you really wanna? but oh when it comes down to it

i suppose it's true that maybe i'm a fool to scare myself this way take my fears away

like ships in the night
we leave no sign
the course we sail
are memories
that lead us to who knows where

have i lost my mind listening to these lies heard from no one else save me from myself

like ships in the night we leave no sign the course we sail are memories and i wonder if you really care

but oh when it comes down to it do you really wanna? but oh when it comes down to it

when it really comes down to it when it really comes down to it and i don't believe it when it really comes down to it when it really comes down to it
