Bring me light
Bring me light
Bring me light
Black & Blue
I will always love you
Black & Blue
Black & Blue
I will always love you
I will always love you

Coming pale
Cold and pain
I will always love you
.. around
Coming still
I will always need you

This is how to love you is! Regain it This is how to love you is! Regain it

White \$ Grey
In a day
I will always need
Bleeding out
Bleeding out
I will always need

Dust and bone Hold the stone I will always love Black & Blue Black & Blue I will always love you
