Day that you go
Colours in view
Colours of you
Frozen in time
Thinking of you
Wish the pain out of you
Day that you go
Day that you go
Day that you go
Day that you go
From me
Day that you go
From me
Watching you now
The air that you breathe
Is carrying me
Day that you go
Day that you go
Day that you go
Day that you go
From me
Day that you go
From me
