

# Archive, Lights

It hurts to feel  
It hurts to hear  
It hurts to face it  
It hurts to hide  
It hurts to touch  
It hurts to wake up  
It hurts to remember  
It hurts to hold on

Turn my head

The hurt's relentless  
The hurt of emptiness  
The hurt of wanting  
The hurt of going on  
The hurt of missing  
The hurt is killing me

Turn my head  
Off  
Forever  
Turn it off  
Forever  
Off forever  
Turn it off forever

Ever blind
