There's something about you that I really don't like
There's something about you that makes me want to bite
The numbers keep on fighting
The numbers keep on fighting
The numbers keep on biting
The numbers keep enticing
The numbers keep on fighting
The numbers keep on fighting

Take a look at you then take a look at me
Rip into your eyes and see exactly what I see
Take a look at you then take a look at me

There's something about the way you speak that makes me want to shout
There's something about me that makes you want to scream out
The numbers keep on screaming
The numbers keep on streaming
The numbers keep on screaming
The numbers keep on

Take a look at you and take a look at me
Take a look at me and take a look at you

Rip into your eyes and see exactly what I see
Take a look at me
The numbers keep on fighting
