

# Archontes, Runaway From Dark

I'm a hunter  
Are you a victim? So am I  
My instincts are wonder  
My power causes fright  
In search for the Essence  
I'm burning my past  
Who can hold me back  
I'm coming home  
Into the valley of thousand suns  
My wild soul  
A gift of the ancient ones  
My wise people  
Have left this world  
And I've lost their track

Dark Raven of Destiny  
Take my soul up high  
I'm fighting against the world  
Twin Guardians protect me from lies  
Demons, get out!

Lost knowledge, lost visions  
This is what I'm going for  
But time can't stop  
Like a whirlwind...  
What can I do?  
I'm lost in time  
Just a runaway  
...From dark

Your world is too small  
I despise it  
Soon it shall fall  
But I will stay to live  
I am a hunter  
Are you a victim? So am I  
A victim of my memories..
