

# Arcwelder, Down To The Wire

(music arcwelder/words w. graber)

Sign - like the sign of things to come down  
To the wire  
And if I... minded half of Let Down  
To the wire

[chorus]

I have no fear  
I have no pride  
I have no right  
I do not mind  
I was the one who lost this time  
I was the one who saw the lie  
I have no drive  
I have no hate  
I do not mind  
I was the one who lost this time  
And it's like everybody wants a peace that I.. can't

Give - what you wanted to give away for free  
Down to the wire  
And say - what you wanted to hear next time around  
Down to the wire

[chorus]

I have no hate  
I have no hate  
Down to the wire
