I Just Don't Love You Anymore
I just don't love you
Like I used to, like before
I just don't love you
The way you want me to
No, I don't love you anymore

And I've been crying

I just don't love you
Don't love you
Don't love you
Don't love you
Don't love you anymore

You lie to me
Cry to me
Crawl on your hands and your knees begging please
Well what do you want?
What is it you need?
I've given you all that I have
I just don't love you, anymore
No, I don't love you

You pull me down
Push me around
I've had about all I can take
You fooled around
Busy doing the town
Constantly leaving your bait
Yes, I've been crying, over you
No, I don't love you

You lied to me
Cried to me
Crawl on your hands and your knees begging please
Well what do you want?
What is it you need?
I've given you all that I have
I just don't love you, anymore
No, I don't love you

And I've been crying
