Wonderdrug

Be my lover, be my baby, be my wonderdrug
Be my flower, weeping silver tears on
a rusted heart.
Don't say a word, just let me kiss it
all away
No more sorrow, no more sadness no more

Be my lover, baby you just got to want me
I don't know, can't think, not even breathing
Be my blood-stained suit of armor, be my everything
Don't say you love me 'cause I don't care
I love you more than you will ever know
No more worry, no more trouble, no more sadness
An no more sorrow

Oh my heart shines when you kiss my mouth
What a sweet surprise
And I stop cold when you're in the room
And you look my way
Say my name, say my name

Be my lover, Be my, Be my baby
Be my wonderdrug, my wonderdrug
my wonderdrug. Be my, be my baby
Be my lover
Be my wonderdrug
