Can This Be Love?

Can This Be Love?

Arden-Ohman Orchestra

K. Swift

I'm all at sea, Can this be love?

This mystery, Can this be love?

I'm in a blue haze where nothing seems quite real

I wander through days with this crazy feeling

What can it be, Can this be love?

This thing that I keep dreaming of...

All through the night till I wake at early dawn,

Tell me, can this be love?
