

Are You God?, Lifeless

Oh. Oh. Oh.
Shut up (babe)
I am too tired to go on
I need to keep pulling through
It hurts (baby)
So leave me now
I'll be better off
When I'm lifeless

Lifeless me. Pitiful me. I need you...badly.

I pulled the plug. Yes I did.
I needed to get out of the pit
You put me in. (babe)

Lifeless me. Pitiful me. I need you...badly.
Lifeless me. Pitiful me. I need you...badly.

Yes I do..need you.
