Mind Games

I never thought that it would come to this,  
I never thought that you would ever try to tear my world apart,  
Turn it upside down.

Was it something that I said to you?

Was there something that I could have done to make it all work out,  
Turn everything around.

And then I knew it was finally over,  
When you tried to take control of my life.  
Now all I know, is that...

I - don't wanna play your mind games.

I - don't wanna drive you insane.

I - don't wanna play your mind games.

I - don't wanna know you anymore.

You always tried to tell me what to do,  
You never thought that I would ever stand up to your selfish games,  
While you just stood there calling names.  
And now my hands are tied behind my back,  
And there is nothing I can do to try to get you back again,  
Get you on my side.
