

# Area-7, Start Making Sense

i understand what you're saying  
i know the game that you're playing  
but i don't care anymore  
you never told the truth to me  
you always tried to deceive me  
but i don't care anymore  
anymore  
i always thought that i knew you  
but it's not hard to see through you  
you just don't care anymore  
why are you doing this to me?  
do you need to defeat me?  
seems you don't care anymore

## CHORUS

cos i've heard  
one too many, one too many  
too many stupid answers  
one too many, one too many  
too many stupid answers  
now

people always say that you're stupid  
but i know there's more to it  
you just don't think anymore  
there aint no use in complaining  
it's not even worth me explaining  
when you don't think anymore  
anymore

repeat chorus

i can't believe what you said to me  
i can't believe what you did to me  
i can't believe that you're lying to me  
i can't believe what's become of you  
i can't believe what you've turned into  
i can't believe what you're doing to me  
to me
