Arena Tina, Enough Is Enough (No More Tears)

Arena Tina Miscellaneous Enough Is Enough (No More Tears) (feat. Donna Summer)

Raining, it's pouring my lovelife is boring me to tears, after all these years

No sunshine, no moonlight, no stardust, no sign of romance we don't stand a chance

I've always freamed I found the perfect lover But he turned out to be like every other man our love, our love

Raining (raining) pouring (pouring) there's nothing left for us here and we won't waist another tear

If you've had enough, don't put up with is stuff, don't you do it If you've had your fill, get the check pay the bill, you can do it

Tell him to just get out
Pack his raincoat, show him out
Just look him in the eyes and simple shout
Enough is enough
I can't go on, Enough is enough, I want him out (i want him out that door now)

I've always freamed I found the perfect lover But he turned out to be like every other man our love, our love..Our love, our love.

Enough is enough I can't go on, Enough is enough, I want him out (i want him out that door now) Enough is enough, is enough, is enough, etc...
