

# Aretha Franklin, Another Night

All my friends have to ask if I'm shattered.  
I say the past is the past and it no longer matters.  
I made my mind up  
I can make it  
I'll be fine

even if I gotta fake it.  
I'll keep surviving.

Another night - without you.  
Another night - I know I can get through.  
Another night - it's only -  
another night - I won't be lonely.  
Another night - another night -  
Another night - it ain't much -  
another night - without your touch.

I used to search through the crowd to find you

But I don't feel like it now  
so don't look behind you.  
You better face it  
I won't be calling

I hit my stride when the evening is falling

I'm gonna make it -

Another night - without you. . . .

Out where the music is loud and the people are laughing

I'm gonna step on out  
I won't be down

Gonna stand my ground for just another night -  
Oh yes  
for a  
another night.

I made my mind up  
I can make it

I'll be fine  
even if I gotta fake it.  
I'll keep surviving  
yes  
I will.

Another night - without you.  
Another night - I know I can get through.  
Another night - it ain't much -  
I don't need you to be bringing me down
