(Day dreamin' and I'm thinkin' of you)

(Day dreamin' and I'm thinkin' of you)

(Day dreamin' and I'm thinkin' of you)

(Day dreamin' and I'm thinkin' of you)

(Look at my mind floating away)

He's the kind of guy that would say

"Hey baby let's get away let's go some place, huh?"

Where I don't care

He's the kind of guy that you give your everything

And trust your heart, share all of your love

Till death do you part

I want to be what he wants when he wants it

And whenever he needs it

And when he's lonesome and feelin' love starved

I'll be there to feed him

I'm lovin' him a little bit more each day

He turns me right on when I hear him say

(Hey baby let's get away, let's go somewhere far

Baby can we?)

Where I don't care

(Hey baby let's get away, let's go somewhere far

Baby can we?)

Where I don't care

I wanna be what he wants when he wants it

And whenever he needs it

When it comes to bein' feelin' loved starved

I'll be there to feed him

Lovin' him a little bit more each day

It turns me right on when I hear him say

(Hey baby let's get away) hooo (let's go somewhere far

Baby can we?)

Where I don't care

(Hey baby let's get away, let's go somewhere far

Baby can we?)

Where I don't care

(Day dreamin' and I'm thinkin' of you)

(Day dreamin' and I'm thinkin' of you) woooo

(Day dreamin' and I'm thinkin' of you)

(Day dreamin' and I'm thinkin' of you)

(Look at my mind floating away)

(Day dreaming... thinking of you)

(Day dreaming ...thinking of you)

(Day dreaming....daaaay dreeeeming)
