Aretha Franklin, Do right man

Take me to heart And I'll always love you And nobody can make me do wrong Take me for granted Leaving love unshown Makes will power weak And temptation strong A woman's only human You should understand She's not just a plaything She's flesh and blood Just like her man If you want a do right All days woman You've gotta be a do right All night man Yeah, yeah They say that it's a man's world But you can't prove that by me And as long as we're together baby Show some respect for me If you want a do right All days woman You've gotta be a do right All night man A woman's only human This you should understand She's not just a plaything She's flesh and blood Just like her man If you want a do right All days woman You've gotta be a do right All nights man You've gotta be a do right All nights man
