Miscellaneous  
I Knew You Were Waiting For Me  
Like a warrior that fights  
And wins the battle  
I know the taste of victory

Though i went through some nights  
Consumed by the shadows  
And was crippled emotionally

Somehow I made it through the heartace  
I escaped  
I found my way out of the darkness, kept my faith  
Kept my faith

(Chorus)  
And the river was deep I didn't falter  
When the mountain was high  
I still believed  
When the valley was low  
It didn't stop me  
I knew you were waiting  
Knew you were waiting for me

With and endless desire  
I kept on searching  
Sure in time our eyes would meet

And like the bridge is on fire  
The hurt is over  
One touch and you set me free

I don't regret a single moment  
Looking back, when I think of all those disappointments  
I just laugh, I just laugh  
(Chorus)

So we were drawn together through destiny  
I know this love we share was meant to be
