Doctors Orders

Hoppin, hoppin till Im energized (Oh yeah)

Cause I got something on my mind (What is it, baby)

So I-I said to my baby, leave the job early (Mmm, hmm)

Cause I got a thing for you thats killin me (I like this stuff)

You really know just how to thrill me {Uh-huh}

You lay those pretty little words on me (Uh-huh)

So Ill be the doctor, let me work on you {Im ready}

And then Ill prescribe the things we gonna do {Hmm, okay}, uh-huh

The doctors order said Get some love (Oh, yeah)

Said youve been goin without it long enough, long enough

So here I am, boy, to hook you up

And thats exactly what Im dreamin of (Ooh, boy, my boy)

I love it when you get sentimental (Oh, baby)

You cant be a no way but sweet and gentle

You know what to do when the world falls in

You give me the sweetest kind of medicine, Im wit you, wit you, baby

One kiss {Hmm} from you would be (Be)

The world sweetest kind of surgery (Uh-huh)

So youll be the doctor, boy, wont you be (Be)

And write up a love prescription just for me

{Im hangin wit you, baby} Hang with me, baby

I spoke to the main man at that love pharmacy {Yeah}

So let me just tell you, uh-huh, exactly what you need

Ill show you the directions (Ooh) but be sure youll read the warnin (Say what)

Try two kisses {Okay} and then call me in the mornin

Doctors order said to Get some love {Yeah, get it, get it}

Said youve been goin without it long enough {Long enough}, oh, oh

So here I am, girl, to hook you up

And thats exactly what Im dreamin of {Ooh, girl, my girl}

Fever, fever has got a hold on you

I see a love fever {Uh-huh} and you can hardly make it

I got fever, fever {Ooh} (Uh-huh) about a hundred zero two

A love fever, fever and you dont think you can take it, help me

Oh {Oh...oh...oh...}

Its hot {Say oh...oh... oh}

Oh, Im burnin with the fever {Oh...oh...oh...}

The doctor said (What did he say)

To get some love (And)

And Im so, Im so, Im so in love with you, baby

You know you better be listenin to what the doctor said

I feel better now, I dont know how

We did it, but we did

Will you keep huggin me and workin in me

And dont you ever quit it (Ooh, boy)

So get out of bed the doctor said

Cause youre the cure I need

For anything thats wrong with me

Im hangin wit you baby (Hang with me, baby)

The doctors order said Get some love (Hang with me, baby)

Said youve been goin without it long enough (Stay right in, hang with me, baby)

Here I am, boy, to hook you up (Oh, yeah)

That's exactly what I'm dreamin' of {Hey, hey}

You need to hear what the doctor said love and get you some love (Ooh)

Get to my love, get to my love, got to be love (Got to be love)

So here I am, boy {To hook you up} to hook you up

And that's exactly what I'm dreamin' of, hey, hey (Hang with me, baby)

The doctor's order said Get some love (When do you want it)

Says you've been goin' without it long enough, long enough (Oh, how do you want it)

Here I am to hook you up

And that's exactly what I'm dreamin' of
