

# Aretha Franklin, It's Raining Men

Hi, hi, we're your Weather Girls, ah, huh  
And have we got news for you, you better listen  
Get ready, all you lonely girls  
And leave those umbrellas at home, alright  
Humidity is rising  
Barometer's getting low  
According to all sources  
The street's the place to go  
'Cause tonight for the first time  
Just about half-past ten  
For the first time in history  
It's gonna start raining men  
It's raining men, Hallelujah  
It's raining men, amen  
I'm gonna go out to run and let myself get  
Absolutely soaking wet  
It's raining men, Hallelujah  
It's raining men, every specimen  
Tall, blonde, dark and lean  
Rough and tough and strong and mean  
God bless Mother Nature  
She's a single woman too  
She took off to heaven  
And she did what she had to do  
She taught every angel  
To rearrange the sky  
So that each and every woman  
Could find her perfect guy  
It's raining men, Hallelujah  
It's raining men, amen  
It's raining men, Hallelujah  
It's raining men, amen  
I feel stormy weather  
Moving in about to begin  
Hear the thunder, don't you lose your head  
Rip off the roof and stay in bed  
God bless Mother Nature  
She's a single woman too  
She took off to heaven  
And she did what she had to do  
She taught every angel  
To rearrange the sky  
So that each and every woman  
Could find her perfect guy  
It's raining men, yeah  
Humidity is rising  
Barometer's getting low  
According to all sources  
The street's the place to go  
'Cause tonight for the first time  
Just about half-past ten  
For the first time in history  
It's gonna start raining men  
It's raining men, Hallelujah  
It's raining men, amen  
It's raining men, Hallelujah  
It's raining men, amen  
It's raining men, Hallelujah
