

# Aretha Franklin, Kissin' By The Mistletoe

There's a very good reason  
Why the holiday season  
Is a wonderful time  
For a boy and girl to fall in love  
~Cause Santa and Cupid  
Planned exactly what you did  
When you kissed me by the mistletoe above  
We stood there kissin' by the mistletoe  
Tingle, tingle, tingle, tingle  
Mmm and away we go, jingle, jingle  
Kissin' by the mistletoe, love came to stay  
And now it's Christmas every day  
We stood there kissin' by the mistletoe  
Tingle, tingle  
Mmm and away we go, jingle, jingle  
Kissin' by the mistletoe, love came to stay  
And now it's Christmas every day  
There is a heavenly treasure  
More than money can measure  
In the gift you get when you give your love  
And I can tell  
(Kiss, kiss, kiss, kiss)  
~Cause whenever it's Christmas  
If I never get this much  
He ran my heart I remember very well  
We stood there kissin' by the mistletoe  
Tingle, tingle  
Mmm and away we go, jingle, jingle  
Oh, kissin' by the mistletoe, love came to stay  
And now it's Christmas every day  
(Kissin' by the mistletoe)  
I said and now it's Christmas every day  
Oh yeah  
And now it's Christmas every day
