

# Aretha Franklin, Maybe I'm a Fool

Maybe I'm a fool for loving you so and  
Maybe, maybe I'm a fool, I don't, I don't really know  
But I can't, I can't stop loving you darling, oh yes  
Though I tried, oh yes  
And maybe, maybe your goodbye was so mean, so mean and unfair  
Though you made me cry, my love's still there  
And I know, I know that I'll long for your kisses, oh  
Until I die, oh yes until I die  
Well, I said all of my friends, all of my friends have told me  
They said, "Aretha, why don't you find  
You really need to find somebody new", yeah, oh oh yeah  
But what they don't know  
What they just don't know is in my heart  
I'd be wishing, oh, that that someone was you  
So, oh, it's all for you to decide  
If you should decide to trap me once more  
All you got to do, all you got to do is knock on my door  
And I'll say, I'll say that I've taken you back  
Yeah, taking you back would be foolish  
Then maybe, oh, maybe I'm a fool  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah
