

Aretha Franklin, Oh Me Oh My (I'm a Fool for You)

To make you laugh, I would be a fool for you
Although the people turn and stare
I really don't care
I would give my everything to keep you, boy
It breaks my heart when you're not there
I'll stage a ballet on a tabletop
Command performance finger size
And although I ain't got no tune
My show ain't gon' flop
I'll find the music there in your eyes
Oh me, oh my, I'm a fool for you, baby
Oh me, oh my, I am crazy, baby
Oh me, oh my, yeah, I'm a fool for you, baby
Come on, let your love light shine on me
We'll blow a genie from a cigarette
And then we'll take a magic carpet ride
Yes, we will
And we'll tell our smokey friend, "Hey, don't you forget
Because you've got to keep us side by, by side" Yeah
Oh me, oh my, I am a fool for you, baby
Oh me, oh my, you know that I am crazy, baby
Yes, you do
Oh me, oh my, whoa, I'm a fool for you, baby
Come on, let your love light shine on me
Would you do that?
Come on, let your love light shine
Just a little bit right on me
Oh lover, let your love light shine on me
Oh, hear me now
Oh me, me, oh, my, I'm a fool, oh, for you, baby
Oh me, oh my, you know that I'm crazy, baby
Oh me, oh my
