

Aretha Franklin, Over the Rainbow

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby
Somewhere over the rainbow
Skies are blue
And those dreams that you dare to dream
They really do come true
Someday I'll wish upon a star
And I'll wake up, where the clouds
Are far behind me, oh, yes
Where troubles melt like lemon drops
Way above the chimney tops
That's where you'll find me
Gonna be somewhere over the rainbow
Ohh, where pretty little blue birds fly
Birds fly over the rainbow
Why then, oh why can't I?
