

# Aretha Franklin, Sweet Bitter Love

I talked to you today, we've loved each other  
For so long in that special way  
And if circumstances should keep us apart  
I just want you to know  
That you will remain forever here in my heart  
Sweet, sweet bitter love  
The taste still lingers, going through my helpless fingers  
You slipped away, ooh, yes you did  
Sweet, sweet bitter love, what joy you told me  
What pain you didn't mean to but you brought me  
And so sure, baby and so sure to stay  
Our magic dreams have lost their spells  
And where there, where there was hope  
Oh, there's an, an empty shell

Oh, sweet, na na na, na na na, na na, bitter love  
Why have you awoken and then forsaken  
A trusting heart like mine  
My magic, my magic dreams  
They've all, they've all, all lost their spells  
And where there, where I had a little bit of hope  
Yes sir, there is, oh look at me now, there is an empty shell  
Oh, sweet, na na na, na na na, na na, bitter love  
Why have you awakened and then  
And then and then and then and then you know, you have forsaken  
A trusting heart, yeah like mine, a trusting heart like mine  
I love you boy, yes I do, like mine
