

Aretha Franklin, What A Difference A Day Made

What a difference a day made
Twenty four little hours
Brought the sun and the flowers
Where there used to be rain
My yesterdays was blue, blue days
Today I'm a part of you, dear
My lonely, lonely, lonely nights are through, dear
Since you said you were mine
What a difference a day makes
There's a rainbow before me
Skies above they might be stormy
Since that moment of bliss, ohh, that thrilling kiss
It's heaven when you, when you
Find romance on the menu
What a difference a day makes
Well, I know the difference is you
It's heaven, heaven, heaven when you, when you
Find love and romance on the menu
Ohh, what a difference, what a difference a day makes
I know in my heart, the difference is you
