You Make me feel like a Natural Women

Looking out on the morning rain

I used to feel so uninspired

And when I knew I had to face another day

Lord it made me feel so tired

Before the day I met you

Life was so unkind

You're the key to my peace of mind (chorus)

'Cause you make me feel

you make me feel

you make me feel like a natural woman

When my show was in the lost and found

You came along to claim it

I didn't know just what was wrong with me

Till your kiss helped me name it

Now I'm no longer doubtful

Just what I'm living for

And if I make you happy

I dont need to do more

Repeat chorus

Oh baby what you've done to me

You make me feel so good inside

And I just wanna' be close to you

You make me feel so alive

Repeat chorus 2x
