Ari Gold, Where The Music Takes You (feat. Sasl

It doesn't matter what you do If you go where the music takes you

If doesn't matter what you do
If you go where the music takes you

Do with the flow Let the music make you you go where the music takes you

There comes a time you feel fine But you know that there's something more And there are days you're afraid You will say what is it all for

Sunday, MOnday, Rolls around Tuesday, Wednesday you're in town Searching for some inspiration Thursday, Friday you stay home Saturday you're alone MTA strike, no transportation
