

Ari Koivunen, Angels Are Calling

Your light was always shining on my way
There are so many things I'd like to say
So many words were left unsaid
Before you flew away
So in my heart I'm sending you my love
I'm giving it wings so it can fly
And reach you wherever you are
And the years go by, still the years go by, forever
Angels are calling, heaven is crying
crying tears of blood cause it was not your time
Angels are calling, outrain is falling
Covering my tears and my pain
Calling...

You used to play in the summers in the grass
I always told a few fragile as glass:
"your memory is all that I now have";
Somethings here are so hard to understand
I thank for your love and take your hand
some of us down here are born as angels
And the years go by, still the years go by, forever
Angels are calling, heaven is crying
crying tears of blood cause it was not your time
Angels are calling, outrain is falling
Covering my tears and my pain
