

# Ariana Grande, Brand New You

Disrespect that's all that you do to me  
So messed up the way that you're treatin me  
Brace yourself there's something I want you to know  
You should know

Replaceable is one way of sayin it  
You've made your bed  
Now you can lay in it  
'Cause one day soon I'll have a brand new you

New you

He's gonna walk like you  
Exact same anatomy  
Talk like you  
Except he knows how to be  
Sweet and kind it shouldn't be so hard to find

Does it make you mad?

When you're thinking back to the starting line  
Back when I was yours and you were mine  
You took me for granted so I found a brand new you  
And when you see me around this time  
Well I hope you'll see that I'm doing fine  
It's never been better 'cause I've found a brand new you  
Since I found a brand new you

I know you hate that I'm over it  
I don't even miss you a little bit  
I'm so glad I found a brand new you

New you

He's gonna walk like you  
Exact same anatomy  
Talk like you  
Except he's so good to me  
You were blind to think you were one of a kind

Does it make you mad?

When you're thinking back to the starting line  
Back when I was yours and you were mine  
You took me for granted so I found a brand new you (found a brand new you)  
And when you see me around this time  
Well I hope you'll see that I'm doing fine  
It's never been better 'cause I've found a brand new you  
Since I found a brand new you

Found a brand new you  
Oh oh yeah  
Found a brand new you

I know you hate that I'm over it  
I don't even miss you a little bit  
I'm so glad I found a brand new you

New you!

Does it make you mad?

When you're thinking back to the starting line  
Back when I was yours and you were mine

You took me for granted so I found a brand new you (found a brand new you)  
And when you see me around this time  
Well I hope you'll see that I'm doing fine  
It's never been better 'cause I've found a brand new you  
Since I found a brand new you
