

# Ariana Grande, Snow in California

[Verse 1]

Dear Santa  
It's me Ariana  
I know it's been a while but I really need  
Your help this year  
Let me make this clear  
See I really love him  
And it's been kinda tough cause  
He's only in town for the holidays  
Tomorrow he's flying away  
Away from me

[Pre-Chorus]

I don't need another gift  
I just have one wish  
This year can you

[Chorus]

Just make it snow in California  
I'll even settle for rain  
Don't want him to go tomorrow morning  
Give me something to make him stay  
Wrapped in his arms by the fireplace  
Will be the perfect gift  
Let it snow let it snow let it snow  
Let it snow  
In Calif-orn-i-a

[Verse 2]

Dear Santa  
What happened to the plan we had  
I checked the news and it said  
It'd be a sunny day  
Make it go away  
See I I really need him to stay  
For a couple more days  
Can't you make his  
Five o'clock flight delay  
Won't you find a way

[Pre-Chorus]

I don't need another gift  
I just have one wish  
This year can you

[Chorus]

Just make it snow in California  
I'll even settle for rain  
Don't want him to go tomorrow morning  
Give me something to make him stay  
Wrapped in his arms by the fireplace  
Will be the perfect gift  
Let it snow let it snow let it snow  
Let it snow  
In Calif-orn-i-a

[Bridge]

I know I'm asking for the impossible  
But I believe in miracles  
I need my baby right here with me  
So please, please

[Chorus]

Just make it snow in California

I'll even settle for rain  
Don't want him to go tomorrow morning  
Give me something to make him stay  
Wrapped in his arms by the fireplace  
Will be the perfect gift  
Let it snow let it snow let it snow  
Let it snow  
In Calif-orn-i-a
