

# Ariana Grande, Stu's Song

What do Tigers Dream of,  
when they take a little tiger snooze?  
Do they dream of mauling zebras,  
or Halle Berry in her catwoman suit?

Don't you worry your pretty striped head,  
we're gonna get you back to Tyson and  
your cozy tiger bed.

And then we're gonna find our best friend Doug,  
and then we're gonna give him a best friend hug.

Douuuug Douuuuug,  
ooh ooh Douuuug,  
Douuug-y Dougy Doug Doug.

But if hes been murdered by crystal meth tweekers..  
Then we're shit outta luck.
