Ariana Grande, Unwritten

I am unwritten, can't read my mind, I'm undefined I'm just beginning, the pen's in my hand, ending unplanned

Staring at the blank page before you Open up the dirty window Let the sun illuminate the words that you could not find

Reaching for something in the distance So close you can almost taste it Release your innovations Feel the rain on your skin No one else can feel it for you Only you can let it in No one else, no one else Can speak the words on your lips Drench yourself in words unspoken Live your life with arms wide open Today is where your book begins The rest is still unwritten

Yeah

I break tradition, sometimes my tries, are outside the lines We've been conditioned to not make mistakes, but I can't live that way

Staring at the blank page before you Open up the dirty window Let the sun illuminate the words that you could not find

Reaching for something in the distance So close you can almost taste it Release your inner visions

Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins

The rest is still unwritten, oh
