## Arid, Drowned World/Substitute For Love (Madon

I traded fame for love Without a second thought It all became a silly game Some things cannot be bought Got exactly what I asked for Wanted it so badly Running, rushing back for more I suffered fools, so gladly And now I find I've changed my mind The face of you My substitute for love My substitute for love Should I wait for you My substitute for love My substitute for love I traveled 'round the world Looking for a home I found myself in crowed rooms Feeling so alone Had so many lovers Who settled for the thrill Of basking in my spotlight I never felt so happy The face of you My substitute for love My substitute for love Should I wait for you My substitute for love My substitute for love No famous faces, far off places Trinkets I can buy No handsome stranger, heady danger Drug that I can try No ferris wheel, no heart to steel No laughter in the dark No one night stand, no far off land No fire that I can spark mmmmm The face of you My substitute for love My substitute for love Should I wait for you My substitute for love My substitute for love This is my religion
