

Ariel Moore, Living On The Edge

O..., yea
Gotta catch my breathe and feel my heart beat
Aint nobody left, just got my two feet.
To carey me on, their playing my song
Been waiting for so long
To see the lights turn on, hear the hands clap
Center stage, aint ever gonna look back
I gotta go on, their playing my song
Been waiting for so long
Been waiting for so long
Just break away
Nows the time, nowhere to hide
Gotta raise the stakes, I'm only gonna let them rise
Nothing to loose, so much to gain
Hearing the crowds calling my name
When I'm living, living on the egde.
It's my time now
Gonna change the whole world
See all it takes
Is the heart of one girl
To carey me on, their playing my song
Been waiting for so long
Just break away
Nows the time, nowhere to hide
Gotta raise the stakes, I'm only gonna let them rise
Nothing to loose, so much to gain
Hearing the crowds calling my name
When I'm living, living on the egde.
I'm not afraid not fall, to be afraid of hights
Afraid to fly, can't achive it all
Can't achive it all
When I'm living on the edge
Just break away
Nows the time, nowhere to hide
Gotta raise the stakes, I'm only gonna let them rise
Nothing to loose, so much to gain
Hearing the crowds calling my name
When I'm living, living on the egde.
Break away
Nows the time, nowhere to hide
Gotta raise the stakes, I'm only gonna let them rise
Nothing to loose, so much to gain
Hearing the crowds calling my name
When I'm living, living on the egde.
Ooooo, when I'm living on the edge
Ooooooo, yeaaaaaa.
