

# Ariel Pink, Don't Think Twice (Love)

Don't think twice, my love  
I'm not like my love  
I'm unkind to you  
All the time  
So tell me, here you are  
Cry, my love

Do you wanna hear me hear you say yes? Oh, yeah  
Do you wanna hear me hear you say yes? All  
The time  
Unknown secrets  
(Don't let go)  
Unknown life

Leave your heart behind  
Love me, yes, I climb  
'Cause your soul's at stake  
I may take  
So tell me who you are

Cry, my love  
Do you wanna hear me hear you say yes? Oh, yeah  
Do you wanna hear me hear you say yes? All  
Of the time

Unknown secrets  
(Don't let go)  
Unknown life  
(Don't let go)  
Don't let the next truck hit you  
Don't let it by

Don't think twice, my love  
I'm not like my love  
I'm unkind to you  
All the time  
So tell me who you are, ooh  
(Run away)

My love, the pain,  
Oh, the pain, my love  
Run away, run away  
Oh, my girl
