

Ariel Pink, Don't Turn Back / 2008

You may see a shadow up the road
And you may get scared
And you may see the shoreline that you weren't aware of
But don't turn back
But don't turn back wonderin'

Anyway you passing all your stations
And maybe you should dump all your gas
And there buy drugs but highways too
So don't turn back
Yeah don't turn back wonderin'

Maybe do drugs
But these drugs act
Maybe do drugs
From here to the end
But all your drugs
The drug takes you
But don't turn back
But don't oh baby

Whats that?
Pick me up nice?
Oh I know but don't get a so ahhh

I said by looking back oh oh

Without looking back
Without looking back

20 08 baby its now
Thats when you're bmaking
If I don't make it by 2008 then it's too late
I am 78 and I look back and I'm that great
If I don't make it by 2008 then it's too late, its too late I know its true
Oh 2 oh 8 you're mine
Oh 2 oh 8 you're mine
