

Ariel Pink, Gettin' High In The Morning

There's nothing like
Waking up with it

I like to live
Yeah, I like to do it
I like it a lot
I like it a lot

Yeah, I'm gonna work on it
Work on it
Work on it

Like to do it
I like it a lot
I'm so down with
Gettin' high in the mornin'

There's nothing like
...

Waking up with it,
I'm waking up

Got to work
Work for it
Work for it

But I'm too high on it
Got bread to win
I'm so down with it
Down with it

Got to handle it, brother
Got to handle it
Handle it, brother

I'm so down with

Getting high
In the morning
I'm getting high
In the morning

There's nothing like
Giving up the bread
...

That's right
Suck
Giddy-up

Yes, I like the drug
The drug
It's fun to do
Fun to do
Just like you

I support the use
Use of it (x 4)

I'm so down with
Getting high
I'm so down with getting high
In the morning

Getting high
In the morning
(x4)

Gettin' high in the mornin' (x15)
