

Ariel Pink, Hardcore Pops Are Fun

let's go, we're bustin' chairs now
hey!

hardcore pop is fun
cause it's just like chewing gum
all those things you wanna pound
go out back and shoot you down

pop music is free for you and me
pop music's your wife
have it for life
pop music is fun
just like chewing gum
pop music is good
it sounds like it should
pop music is wine
it tastes so divine
pop music's a bird
it goes with the herd
pop music's a fan
a fan to a fire
pop music's for you

i'm at the point
where i can kiss the harmony
cause you know it's a thrill
when they go in for the kill
hardcore pop, your pills are popped
tonight

get your hardcore pops
hardcore pops
(x5)

pop music makes you wanna
go and do your thing
cause your body is a dance
built to end, not to last
hardcore pop is fast
just like your life

hardcore pop is fun
cause it's just like chewing gum

there ain't no speed transitions, babe
you know what I got

hardcore pops, ooh

pop music is wine
tastes so divine
pop music's a bird
goes with the herd
pop music's a fan
fan to a fire
pop music's for you

pop makes it seem so easy
any sound will do
cause it's true, you're alive
like a bird in the sky
if hardcore pop is dyin'
then i'll be fine

hardcore pops, ooh

there i go again
can't help myself

hardcore pops
