

# Ariel Pink, House Arrest (2006)

"hi, ariel. i hope you're very happy that your car was impounded for not paying any of the part

i'm so sorry, dad

i hang a feed to my guitar  
i hit the keys in my keyboard, yes

i toss confession, officer  
i always plead i'm innocent  
my explanation is all in the pamphlet

i'm breaking out into sweats  
'cause i'm under--  
'cause now i'm under--

house arrest  
i'm out on my own

...  
xox  
i could die  
i'm out of my car  
xox, having sex  
my baby  
xox

i learned of things and the time slipped by  
the time stops and you keep on pressin' rewind  
gave up on speaking in the present tense  
they just keep compacting the evidence

it makes no fucking difference  
... in mind how much i knew narcissus

'cause now i'm under--  
house arrest  
out on my own  
i'm on a zoo  
xox  
at times i  
out on my own  
xox  
and i'm having x in mind  
jar jar x  
having sex

we jump out of ... as far as able  
... -inch cable

i took my base in the bath made store  
... the drugs  
and i put my penis in her hole

was she a vegetarian?  
and i went back to the kingdom where i was buried  
and now i'm back in--

house arrest  
out on my own  
on a zoo  
ah, you, me  
xox  
at times i  
eye my pie xox  
at times i

out on my own

house arrest  
you do the running  
house arrest  
got on my mind  
guest service  
at times

house arrest, ooh ooh  
ooh, ooh  
ooh, ooh  
house arrest  
gimme house arrest  
gimme, gimme, girl

house arrest  
gimme, gimme  
gimme house arrest  
gimme, gimme, gimme

house arrest  
house arrest
