

Ariel Pink, My Molly

earth shaking
body quaking
hair waving
my molly
hands holding
bust bulging
love sowing
my molly
eyes flaming
heart breaking
soul taking
my molly

and i don't have no reason to
to take my eyes off you
if i can't make it true
then take my heart

earth shaking
body quaking
hair waving
my molly
hands holding
bust bulging
love sowing
my molly
ass flaming
heart breaking
soul taking
my molly

and i don't have no reason to
to take my eyes off you
and if i can't make it true
then take me away

earth shaking
body quaking
hair waving
my molly
hands folding
bust bulging
love sowing
my molly
eyes flaming
heart breaking
soul taking
my molly

and i don't have no reason to
to take my eyes off you
and if i can't make it true
then take my heart away

earth shaking
body breaking

earth shaking
body breaking
love flowing
my molly
arms folding
bust bulging
love sowing

my molly
earth shaking
body breaking
soul taking
my molly
