

Ark, The Glad Yeah

I've got something inside me and I know that is good
and its not about the way I act or the way I look
and its not about the quantity of people who want's to sleep with me
oh no
it's all in the heat that makes me feel good
And you can tell me I'm wrong
but I will still sing this song
cause' I waited so long for the sun to come on in my marrow
And now I'm Glad Yeah
Now I'm glad Yeah
Now I'm Glad and I know that can't be bad
Cause' now I'm glad Yeah
Cause' now I'm Glad Yeah
Now I'm Glad and I know that can't be bad
Well, I look to the left and I look to the right
and then i go straight ahead because neighter seems right
O'boy
What do they know 'bout the heat?
Cause its a constant struggle to gets things right
While corporate jerks try to steal my shine
Oh'boy!
So why don't we take it to the street?
And if they tell you you'r wrong, you tell them i cant be wrong
cos im not doing it for you, im doing to be true to my body
And now im glad yeah, now im glad, yeah, now im glad
and i know that cant be bad
Yes now im glad yeah, now im glad, yeah, now im glad
and i know that cant be bad
You know its all about glad yeah gladje..
