Arkadiusz Matuszak, Remember

I feel you every day I feel how you look into my eyes baby

I look at every step I take take care of me I've chosen my skin I Remember you YOu Remember me baby

you still love me you could not leave in this world without me /2x

so come on in my dream give me light and hope give me faith to be alive to be alive so come on in my dream give me light and hope give me faith to be alive to be alive to be alive

I feel you every night I feel like you touch my soul baby

I look into the sky ypou give me love

I Remember you YOu Remember me baby

you still miss me you could not leave in this world without me /2x

so come on in my dream give me light and hope give me faith to be alive to be alive to be alive
