## Into Your Eyes

when I look into your eyes,  
I can love you to forever.

when I look into your eyes,  
I can love you to forever.

when I look into your eyes,  
I can love you to forever.

when I look into your eyes,  
I can love you to forever.

when I look into your eyes,  
I can love you to forever.

when I look into your eyes,  
I can love you to forever.

when I look into your eyes,  
I can love you to forever.
