

Armand Van Helden, Into Your Eyes

Into Your Eyes

when I look into your eyes,
I can love you to forever.

when I look into your eyes,
I can love you to forever.

when I look into your eyes,
I can love you to forever.

when I look into your eyes,
I can love you to forever.

when I look into your eyes,
I can love you to forever.

when I look into your eyes,
I can love you to forever.

when I look into your eyes,
I can love you to forever.
