

Armin Van Buuren, In & Out Of Love

See the mirror in your eyes
See the truth behind your lies
Your lies are haunting me
See the reason in your eyes
Giving answer to the why
Your eyes are haunting me
Falling in and out of love
In love, in love
Falling in and out of love
Your love, your love
See the mirror in your eyes
See the truth behind your lies
Your lies are haunting me
See the reason in your eyes
Giving answer to the why
Your eyes are haunting me
Falling in and out of love
In love, in love
Falling in and out of love
Your love, your love
In love in love in love
Why can't you see it?
Why can't you feel?
In and out of love each time
Why can't you feel it?
Why can't you see it?
In and out of love
You keep keep runnin'
I keep keep fallin'
Let it fade away
Let it fade away
Let it fade away
Away, away, away, away
Oh, let it fade away
